To whom it may concern:

Ms. Alexandra Davidsson worked as an intern in the Multimedia Resources Unit, News and Media Division at the Department of Public Information of the United Nations in New York from 12 March to 19 April 2014. Ms. Davidsson had a very positive impact on the work of our office, by bringing with her knowledge, skills, dedication and enthusiasm.

During this period, Ms. Davidsson played an important role in the speech-to-text project for the Spokesperson for the United Nations Secretary-General. She managed to sort and insert UN specific terms to the speech-to-text system the UN was implementing.

Ms. Davidsson showed excellent creativity, sound technological knowledge and expertise through her quick learning and handling of various UN applications used in the office, as well as solid language skills. She showed accuracy, good judgment and positive attitude. She was able to successfully accomplish her tasks with minimal supervision.

Therefore I support with no restriction the recommendation of Ms. Davidsson for your office.

Please feel free to contact me if you have any further questions regarding her work assignments.

Yours sincerely,
